(the “**Partnership**”). Any statement contained in the Memorandum shall be deemed to be modified or superseded for all purposes to the extent that a statement contained herein modifies or supersedes such statement. This Supplement updates the Memorandum solely with respect to the information set forth herein and does not purport to provide a comprehensive update. All other information provided in the Memorandum is current as of the dates provided therein. Capitalized terms used but not defined in this Supplement are used as defined in the Memorandum.

In addition to the Memorandum and this Supplement, prospective investors should review the Partnership Agreement. Any prospective investor that has previously submitted a Subscription Agreement need not reconfirm its subscription.

I. UPDATED SUMMARY OF PRINCIPAL TERMS

The following is added to Section IX of the Memorandum titled “Summary of Principal Terms” following the section titled “Organizational and Offering Expenses”.

Placement Agent: After the Initial Closing, the Manager engaged Stephens Inc. as a non-exclusive placement agent for the placement of additional interests in the Partnership or its feeder funds. As stated above in the row titled “Organizational and Offering Expenses”, Investor Limited Partners will not bear the fees and expenses of Stephens Inc., which will be borne by solely the Manager through a 100% offset against the Management Fee.

The following section of Section IX of the Memorandum titled “Summary of Principal Terms” is hereby deleted in its entirety and replaced with the following (marked to show changes).

Key Person and Other Events: If one Key Person ceases to be involved in the day to day operations of EnCap, the remaining Key Person shall appoint one or more of Kyle M. Kafka, Brad A. Thielemann or another person approved by the LPAC as successor Key Persons at such time. If (i) the remaining Key Person fails to make such appointment within 180 days, (ii) ~~or if~~ both Key Persons cease to be involved in the day to day operations of EnCap or (iii) Jason M. DeLorenzo and Douglas E. Swanson have each departed (whether simultaneously or at separate times), the Partnership’s ability to make new investments during the Commitment Period will be limited (a “**Suspension Event**”), although these limitations may be removed upon the affirmative vote of a majority in interest of the Investor Limited Partners. If as a result of any such appointment there are more than two Key Persons, except in the case of clause (iii) above, a Suspension Event shall only occur if there are not at least two Key Persons involved in the day to day operations of EnCap.

In addition, upon the occurrence of certain other events specified in the Partnership Agreement, including (a) a “cause” event (as defined in the Partnership Agreement) or (b) the vote of those Investor Limited Partners whose aggregate LP Percentages equal or exceed 75%, the Partnership’s ability to make new investments during the Commitment Period will be limited, although these limitations may be removed under certain circumstances as provided in the Partnership Agreement.
