EnCap Energy Capital Fund XII Capital Call, TI# 92-3054972

Dear Fund XII Investor,

Pursuant to Section 3.2 of the Agreement of Limited Partnership, EnCap Equity Fund XII GP, L.P., as General Partner, requests a capital contribution in the amount of \$152,808,496.97 in the aggregate. The contribution will be used to fund requests from Paloma VII for \$76.0 million, Ridge Runner II for \$29.4 million, Tumbleweed V for \$16.5 million, Pegasus III for \$14.6 million, X2 Resources for \$5.2 million, Novo II for \$2.4 million, and Q1 2025 Management Fees for \$8.7 million. In addition, this capital call also includes a post-closing Interest Component true-up. The Interest Component true-up considers the length of time each Partner has been a Partner of the Partnership and is intended to provide, from a time value of money perspective, parity between those Limited Partners that have invested early and those Limited Partners that have invested later in the Partnership. Please note that the interest component portion of this capital call does not impact your remaining commitment.

X2 Resources, LLC ("X2") is a newly formed upstream company based in Houston, Texas led by most of the key management members from XCL Resources I, a Fund XI portfolio company, with a deep bench of talent across all disciplines. X2 plans to pursue large, oil-weighted property acquisitions outside of the Permian Basin, and the team is in the process of high-grading its target areas and will be opportunistic in its approach to capture. X2 is capitalized with a common equity commitment of \$791,433,000.00 comprised of \$455.0 million from Fund XII, \$80.0 million from Fund XI, \$240.75 million from other investors and \$15,683,000.00 from Management. EnCap will control the board and approve all major decisions. X2 has requested \$5.2 million to fund initial startup costs and overhead expenses.

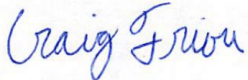

Paloma VII has requested \$76.0 million to fund multiple small acquisitions across Lea and Eddy counties, New Mexico, as well as ongoing development capital for the Alpha project in Eddy County, New Mexico. Ridge Runner II has requested \$29.4 million to fund an acreage acquisition Eddy County, New Mexico, as well as general and administrative expenses. Tumbleweed V requested \$16.5 million to fund the acquisition of mineral interest in the Permian Basin. Pegasus III has requested \$14.6 million to fund mineral acquisitions in the Permian Basin. Novo II requested \$2.4 million to fund the acquisition of acreage in Eddy County, New Mexico, as well as general and administrative expenses.
