EnCap Energy Capital Fund XII Capital Call, TI# 92-3054972

Dear Fund XII Investor,

Pursuant to Section 3.2 of the Agreement of Limited Partnership, EnCap Equity Fund XII GP, L.P., as General Partner, requests a capital contribution in the amount of \$232,810,000.00 in the aggregate. The contribution will be used to fund requests from Dunamis Energy for \$125.0 million, Double Eagle V for \$63.1 million, Novo II for \$4.8 million, as well as working capital for \$40.0 million.

Dunamis Energy is an existing Fund XII oil and gas company whose strategy is to pursue the acquisition and development of onshore oil and gas interests in the DJ Basin, with several acquisitions currently pending. With that, Fund XII has expanded the commitment to Dunamis Energy and is now capitalized with a \$400.0 million commitment comprised of \$389.5 million from Fund XII and \$10.5 million from Management. EnCap continues to control the board and will approve all major decisions. Dunamis Energy has requested \$125.0 million to fund the acquisition of assets.

Double Eagle V requested \$63.1 million to fund acreage acquisitions in the Permian Basin. Novo II has requested \$4.8 million to fund ongoing leasing efforts across a Bridge Prospect in Oklahoma.

The working capital is being called to potentially fund a deposit for a possible acquisition that would be an anchor asset for a Fund XII portfolio company. EnCap is in the late stages of negotiating the PSA. If the PSA is successfully executed, a new Fund XII commitment would be made to a new portfolio company in conjunction with execution, and the acquisition would likely close in Q4 2025.

The total amount to be advanced to Fund XII along with your pro rata share is set forth on the attached schedule. Please wire your pro rata amount to the account set forth below by the morning of **Tuesday, September 23, 2025**, as follows:
